August 8, 2016

To: All Petrochem, Inc. Customers:

This letter is to certify that no lubricants manufactured by or for Petrochem, Inc. contain any of the materials on the REACH substances of very high concern (SVHC) list. All appropriate materials shipping into the EU have been pre-registered within the allotted times forecast and will be registered within the times forecast mandated by the European Legislation.

Additionally, no lubricants manufactured by or for Petrochem, Inc. contain any European Union RoHS regulated substances. None of the following materials are present in any of Petrochem Inc. products: Mercury, Lead, Cadmium, Hexavalent Chromium, Polybrominated Biphenyls and Polybrominated Diphenyl Ethers. Stewart Systems products do not contain any persistent organic pollutants (POPs).

Please contact us if you have any questions.

Best Regards,

Jill E Dohner
